The College

Santipur College, the pride of district of Nadia, is an apex Institution of the district imparting traditionally higher education with great reputation. The College was duly recognized by the UGC under section 2(f) and 12(B) on 01.01.1969 and had been assessed and accredited by the NAAC with B category in March 2007. The College was established on 22nd July, 1948 by a section of noted educationists and ardent lovers of culture of Santipur under the guidance and initiative of the eminent social worker and the then M.P. Pandit Laxmi Kanta Maitra. This College then started functioning at the Kharjala Garden House, a two storied building of Sri Atal Behari Moitra with its initial number of forty-eight students. This arboreal centre of knowledge has now flowered in various fields of Humanities, Basic Sciences and Commerce. In the session 2016-2017, the College has 15 departments and catering to the needs of 5003 students.

The College has been affiliated to University of Kalyani since 2000. The proper guidance by the qualified staff of the College always helps the students to pursue their different degree courses. The College has its own NCC units with firing range for both boys' and girls'; NSS unit, a gymnasium, a vast playground; an open air theatre and an attractive wide garden consisting of several teak and mango trees. There has been a study centre of Netaji Subhash Open University in the College since 2004 to encourage and extend greater scope for education in PG, BDP, BLIS, and different certificate courses.

The students of the College are traditionally ensuring brilliant results over the years. Some of our students are also securing good ranks in different all India examinations like JAM, JEST etc. The College strictly abides by the rules framed by the University of Kalyani, and also the instructions and regulations imposed by the Government from time to time.

PRINCIPAL'S MESSAGE

Message from Dr. Chandrima Bhattacharya,
Principal, Santipur College

Santipur College, established 1948 by the initiative of the legendary social reformer and the then Member of Parliament Pandit Lakshmi Kanta Maitra, is one of the oldest and premier coeducational educational institutions in the district of Nadia which continues to impart quality education at the graduate level to its umpteenth of pupils. It is well-connected by both rail and road (NH34) from Kolkata.

The College has been recognized by UGC since 1969 and is presently affiliated to the University of Kalyani since 2000. It has already been assessed and accredited by NAAC with B+ in 2007. It is a general degree college and offers undergraduate courses (Honours, General and Major) in arts, science and commerce streams. The College authority with the devotion of its entire staff is committed to cater the best education to all its students most of which come from the very poor weaving family and some of them are also first generation learners. The institution feels immense pride with its intelligent, hard working and devoted teaching faculty as well as non-teaching members. Apart from taking routine theoretical classes and conducting laboratory experiments and project works for the students, the teaching faculty of this College deeply indulge themselves in research activities and continuously publishing their research outcome in different peer-reviewed National and International journals of repute. Some of our faculties have been awarded research projects funded by the UGC and other funding agencies. Laboratory rooms, apt for such fundamental research in our institution are badly needed. In spite of some infrastructures limitations our faculties are working hard so that the students can imbibe innovative research ideas for their future advancement. We feel really proud of one of our Chemistry students who after completing his master degree from IIT, Kanpur went to Germany for pursuing his PhD. degree; similarly two students from department of Physics have joined VECC, Kolkata and SINP, Kolkata very recently for their research activities. The students of our College have continued their dazzling performance in different sections of sports this year also. They have added twenty one more feathers to crown of this College, out of which ten from Kalyani University 50th Annual Athletic Meet 2014-2015 where our College has also been declared as 'Group-Champion' and eleven from Non-Govt. division(s). With the commitment of imparting quality education to the pupils towards building an educated and rational social structure and a strong moral character, all our faculty members are striving hard with limited infrastructures facilities, though a 'Smart Class' facility has been introduced very recently. The college alumni boast off well-established students settled not only different parts of our country but also in a few cities abroad. Our past students therefore create enough enthusiasm to convert our present into an even more glorious future. It is worthy to be recognized here that six recently past students of department of Mathematics of Santipur College and also of Santipur area have joined as Assistant Professors in different Colleges of West Bengal as per recommendation by the WBCSC in 2014. The talented and committed faculties and efficient staff of our College are dedicated to work for the advancement for the college. Our dream, vision and mission is an all round development of Santipur College. We believe in ourselves, our confidence and our constant toil towards achieving our ultimate goals of imparting quality education through proper and systematic teaching. We believe in Swami Vivekanand's words "Arise! Awake! and stop not until the goal is reached."

OBJECTIVES OF THE INSTITUTION

- To promote and propagate quality education among the students.
- To inculcate friendly and competitive spirit among the students.
- To strive for social equality and justice.
- To induce and involve students in social works to cherish their strong sense of ethical liability.
- To help the students of the backward classes.
- To encourage inter-disciplinary and extra-curricular activities amongst the students.
- To promote and preserve open rich culture and heritage in the society.
- To help the students to be a good and responsible citizen of India.

Administration:

The Principal is the administrative Head of the College.
